INNOVATION VOLUNTEERS 2021 Entry Form

The Innovation Volunteers Competition will help us collect and distribute real world examples of best practices, tips from the field, and assist in the transfer of technology for local and county transportation workers and other LTAP clients. (The Innovation Volunteers competition is part of the FHWA Center for Local Aid Support - Build a Better Mouse Trap competition. For additional information go to <https://www.fhwa.dot.gov/clas/babm/>)

We are looking for projects that you, your employees or crew designed and built. Projects can be anything from the development of tools, equipment modification, and/or processes that increase safety, reduce cost, improve efficiency, and improve the quality of transportation.
