TTAP Commercial Driver's License Videos

CDL Pre-Trip Inspection Tests

Buckley Productions 1989 30 minutes Video ID # 18
Provides a standardized procedure for conducting a pre-trip inspection test. This video is for CDL examiners only.

CDL, Penn State (Parts 1 - 7)

Penn St. 1989 278 minutes Video ID # 19
Overview, vehicle inspection, operating techniques, vehicle safety, transporting cargo, transporting passengers, air brakes, combination vehicles, and hazardous materials.

CDL, TN Department of Safety (Parts 1 - 3)

TN Dept of Safety 1991 205 minutes Video ID # 16
Presents a course on taking the Tennessee version of the Commercial Drivers License Test. Includes a review of the safety, air brakes, and hazardous materials parts of the test, as well as general information on the best way to study for and take the examination.

CDL: 1) Skills Test, 2) Road Test

Buckley Productions 1989 37 minutes Video ID # 17
Presents the requirements for passing the skills test and the road test portions of the CDL examination. This video is designed to assist drivers in passing these sections of the test.

Fit for the Road: Evaluating the Health of Commercial Drivers

MN DOT 1990 20 minutes Video ID # 20
Discusses the necessary health requirements of a tractor-trailer operator. These include the effects of hazardous materials, vision and hearing, pressure and strain on the back, and stress diet and good reaction time.
