**REGISTRATION**

The registration fee is \$120 per person. Registration is **free** for TN city or county employees. TDOT employees must register through their local TDOT Training Office. Please note your employment status on the registration form. A course may be canceled if there is low enrollment. Forty-eight hours notice will be given to registrants if a course is canceled. **Register early!**

**CANCELLATION POLICY**

Due to commitments to our instructors and facilities, the registration fee is not refundable if a registrant withdraws less than forty-eight hours before the workshop. You may substitute registrants; please notify us in advance if possible. Please register early as attendance to our workshops has increased. We may not accommodate walk-ins on the day of the workshop.

## WHAT THIS IS ABOUT

The Road Safety 365 workshop provides local agencies with practical and effective ways to mainstream safety solutions into their day-to-day activities and project development process.

This workshop focuses on processes for incorporating safety into all aspects of local and rural road projects, and on making safety a priority through inclusion in the traditional decision-making process—365 days a year. The course stresses the importance of road safety and illustrates how it can be integrated into local transportation project development at all stages: planning, design, construction, implementation, operations, and maintenance. Through practical exercises and facilitator-led discussions, the emphasis is on operations and maintenance to reflect the predominant, day-to-day responsibilities of local transportation agencies. The benefits and potential cost savings of safety initiatives are shown using examples from local agencies.

After completing this course, participants will be able to:

- Explain the need for making roads safer.
- Separate safety myths from reality.
- Demonstrate how to “read the road.”
- Describe practical and low-cost countermeasures to improve safety, both on existing roads and during the design stage.
- Identify effective ways of encouraging communities to make their roads safer.
- Create an action list for implementing at least one safety improvement at their local agency.

## WHEN-WHERE

**AUGUST 23, 2023**

**(10:00 - 3:00pm Eastern)**

**Online Workshop** (Instructions will be emailed to you when you register for the workshop.)

## WHO SHOULD ATTEND?

This workshop is aimed primarily at local and rural road and/or public works supervisors. Elected officials, public safety advocates, state DOT personnel, enforcement, consultants, contractors, development districts, local planning commissions and MPOs would also greatly benefit from the Road Safety 365 workshop. While road safety concepts are presented at an introductory level, the workshop may also serve as a refresher for experienced road safety professionals.

## INSTRUCTOR

**Todd Morrison, P.E.**

Mr. Morrison is a road safety advocate as a speaker, workshop instructor, and online trainer. For the past fourteen years he has worked for numerous Local Technical Assistance Programs, Cities, Counties, Contractors, and DOT's. He has taught over 700 workshops and trained over 21000 individuals. He retired from the Kentucky Transportation Cabinet after serving in the Divisions of Construction, Maintenance and Traffic. At the Cabinet, he worked with environmental, work zone, construction and maintenance concerns as a Resident/Construction Engineer, Maintenance/Traffic Engineer, Environmental Coordinator, and as a Branch Manager for Maintenance and Operations. Todd served for two years as Kentucky's Safety Circuit Rider helping local agencies identify low-cost improvements to reduce crashes. He also served for two years as a Road Safety Subject Matter Expert for the Tribal Technical Assistance Program. Todd is an ATSSA certified Traffic Control Supervisor, Flagging Instructor, and Traffic Control Design Specialist.

## PDHs AVAILABLE

4 Professional Development Hours (PDHs) can be granted for this course. No partial credit available. Attendees must attend at least 90% of the workshop to get 4 PDHs

## AGENDA

**August 23, 2023**

**(10:00am - 12:00pm Eastern)**

***BREAK***

**(12:00PM - 1:00pm Eastern)**

**(1:00pm - 3:00pm Eastern)**
